I agree to have my student placed in the Distance Learning Program for the entire quarter. I understand that I must notify the school at least 10 days prior to the end of the quarter if I desire to have my student return to in-person learning. I understand the end dates and due dates for each quarter will follow the regular district calendar. I understand that my student will receive percentage grades, not pass /fail grades, and that the grades will be posted at the end of each quarter. I understand that quarter grades are finalized on the due date and will be factored into final grades for the course. I realize that a distance learning option is necessary during this pandemic but is not the best method of education.
